Dear Mr. McGowan:

C

P
Y

From initial TV news accounts, fragmentary as they are, Senator Weicker has again performed a notable public service. I would very much appreciate a copy of this report as soon as you can send it as well as those things we discussed a week ago.

There are also stories about a separate report by Senator Baker. I would appreciate a copy of that, too, and any others like it.

Thanks very much.

Sincerely,

Harold Weisberg
