

Barbara  
Colson - Walters aired 7/8/74 Today show  
on Dept Duty trucks "you heard" series only with reports  
& says "most of them were not mine"

Bob Bennett suggest Chappinudick. Colson did not get idea  
them cables - did not ask Hunt to fabricate "grew-out-of"  
an honest misunderstanding... he went a little  
further than I thought he was going to do.

Brooklyn pre bombing "fake landfield" may be least  
found in with my sense of humor.

"You own role was to get done what the President wanted  
done." agrees he said this but sometimes misunder-  
stood what P. wanted done

"What ITT del... in San Diego... meant absolutely nothing...  
I confer \$400,000 with him on dummy money - Anderson  
column - + with funding chart.

Bend spirited out of town "had nothing to do with it" but  
sent Hunt to interview her

Ford: "solid, steady, dependable man" from Pres. interview  
Except Dem. spoke well of all but Dean, helps on Kissinger "He gets  
a good press
