

Had to go into town on errands this a.m. so
got today's Post. Hours after it was due, no
NYTimes again. From HR today, NYTimes 4/20.
Looks like he'll be sending me everything
from it. Enclosed UPI wire copy not copied
because I don't know how much duplicates.
Quotes from TV interviews not in Post. No
rush on returning. HW 4/23/73
