

9/26/73 - Dash? of Dean Break-in w/6 not up a day or two
Haldeman spent more time with the Pres. than any one on the
with staff.

His part in covering up "I intended". It "just became an
instant way of life... O watching instructions..." from
E.H. Mitchell, Mardian, Haldeman

Refer "My report my relationship was directly to Mr. Halli-
counsel but a policy-making position by an MIA's"

Office counsel had "a pre-flight my role" - L.P. Hurdman,
Callery, etc. His was "clean-up role" End Dash? 1
Thompson? 0 - on DJ cover up, etc. at best to begin with focus on
all but G.L.

Walt on 6/26-73 discussion re CIA - adds nothing. Telling Hunt to flee,
adds nothing. FBI saw materials, after he got 7/12 sum mails,
credit recall when he got 3020.

On Dean knowing conspiracy law, immediately wonder about his
own advance knowledge. No. "I was in the process of
beginning thinking about the process"

Dean began making indications of G.L. involvement to prosecutor
4/15/73, when Dean noted "my changed attitude toward me"

long discussion of immorality - prosecutor
Talmadge? 2 TV license case. G.L. not surprised when Dean
said Dean, Ehr. Haldeman credible - obstruction of justice
EX26 of statement 1/2/73 EX43 - who violated what law
