May involved Cohen, Dan St. and on case (Hollensen?)

"I have found no much more of Rose Kennedy than I ever did of the WHH"

After going through with someone, he found it hard to deny's entire when asked "Then why was your concern about Mr. Hunt's 'Hebrews'?" He stated to know when he asked on his desk - very quickly, then went into the desk, Ehr was then asked by a call for a vote & he needs after was Monty, asked not to vote "Hebrews" but that "Lemonny" from Monty's family were. So, Ehr went up going with a letter on what the committee is not supposed to do - even for - which Ehr was wrong. Melicher? To Melicher's dirty work. Not connected with 1972 Ehr claim. / Disturbing was his "magical" and "not really" just question. Charles Tracy. Oak
