Ehr "signals": Affirmative nod-  
ding of head - He is confident he can  
handle question also, personal <sup>reass-</sup>  
in easiness - squirms - whole body,  
in chair

Hesitation - seems to talk fast except  
when he has to choose a ~~special~~  
special word.

Nose rub - with right hand, left side  
nose - touchy stuff

Eyebrows down - caught with the  
unexpected.
