

Went to San Clemente on courier plane 7/71, Maridian says, because Sullivan
who was not getting along well with Horn, told Horn out those fugitive tapes. I had
S. concerned about what might be done with these tapes" of any thing happened
to him, that Horn would use them if he got them.

Maridian spoke to Mitchell with no response, & then on a
Sunday, Ehr or Holt phone'd sock pass would like to ~~talk~~
talk to me, & "would I be able to take the courier plane
to the bus and see me the following a. m. morning"

It said get reports from Sullivan before to Ehr.
"In context of it was surveillance authorized by the
President of the direction of the Nat. Sec Council"

Daily plane Andrews - El Toro courier - mail
"Thinks this was prior July 1971, not sure."

"Logs of national security surveillance"
Did not go back to Sullivan to get "any portion of what he had" before
going to San Clemente.

"Mitt" instructed me to obtain the materials from Mrs S &
deliver them to Mr Ehr."

Wanted check if Mr. had not forget more - all clouds - including summary
of the tapes, etc. All Mr. was to get was what I had
Mr. did not get report away from Sullivan
