

If the FBI had begun a real investigation to begin with - before
stories were made up & false defenses built - there would have been a
immediate yield of information that was not obtained. One example
shown. He was scared, knew about all the ~~form~~ funding, had ~~some~~
& been unable to get guidance while the FBI was waiting to interview
him (from Mitchell, La Rue, Mardian). He was concerned about ~~from~~
regulations too. But the FBI asked him about Baldwin only
