

CBS special (canal retrospective) 9/8/74

Sponsored by Penzance (and household other)

in How Ben 500 (Aps with news)

Ben had 3 1/2 hrs Thursday - 3 day earlier. check ^{Benton} Boeken-Walton
count invocations of god - plus Sunday

Maybe after Ed & Evie Kniesel fell into Snake
River.

"My cost money is to get all the facts"

"Gannett must write the end to it."

No precedent because M was P. But is private citizen &
institution does provide for prosecution

"I deeply believe in equal justice for all Americans."

The law is a reflection of reality... ugly
people would again be aroused" and "people
would be playing again." So "The verdict of
history would be even more inconclusive"

Tran has seen that that is never a conclusion!

"... had dreams that continued to refer a
chapter that is used..." Act's to ensure

"domestic tranquility"

quote Lincoln in "Ten Angels Screening" w/o credit

CBS went right from Lincoln's & Ford reading
why from 7/20/69 meant 1/20/69 in Bay area,
Rader says, then AMC into commercial.

2) Two documents - non-suit of Foley - as opening
Spring. How appropriate! best as soon as I've read
he went off to play golf

M/WMS "left my of the burden of Watergate off" the
country. Check M's large wage on what but he
he admits - reads not rhetoric = "... On way I tried
to deal with the W G does the wrong way..."

No more guilt than that?

deal negotiated left between M lawyer & W H - Rother
& Schiffer. On tapes etc only?

Perhaps deal" Rother - pardon & tapes

Graham says he "can't ^{not} refuse to testify on self. In common
graces" because of pardon but he can be added to
he can be indicted by local jurisdictions

"it was the only ^{decent} thing P. Ford could do - "P. Barta

Several also say he can't now be prosecuted

Becker & Jack Miller in Sen C. Thursday night.

Inspires initial report of no "deal", no "negotiations"

Health line ad libbed - "Heath not a future Jones

Frank ^{u.p.} ~~Conf~~ says "The country will not stand
for it" - pardon

Jones said W H had ~~more~~ done more charged in fact
& they are in different situation

Gavanski "provide the principal justification" Rother
Gulbran Gavanski "pulled a des' offering out

3) Graham said some of people close to him felt they had a commitment from him to pardon them

Impression all reporters had personal indignation as well as just for, Severid. Did Potter at end when he began "speaking for myself" depart from prepared copy?

Potter's up to add a group thing that have been happening - did he mean to himself? At CBS, which eased him of WH assignment
