

Murkin on demonstrators - Wearing 1120 p.m.

That shall close as ant AG 114 Sec.

No injunctions on demonstrators. "A fear that been on
eight since prior to this administration" humbled them.

AG called upon under Dept AG. DC's under Mayor
His role in civil disorders" has to "provide information"
to governors - to guarantee again over those of state governments!

AG has to "show the President whether the strategy
in movement is such" that US has to respond under 4th
Amendment. He does not do finger between a
real & non-existent "state of movement" & makes
crazy political maps

He has been accused according to those who can FBI's
Division 5 - domestic internal security - Murkin's attorney
"has a breath of fresh air"

He & Ray "both worked in the same building"
(FBI division 6 in criminal)

When in get there, Div. 5 had decided to react with
"motto" "Constitution has not meant to be suicide pact"

There is "certainly not" but guided him.
Large division staff like he become lead professional personnel -
judges about 50. When he left, he like he says 90 & he L come,
158 when he left. His figures Congress only. Explained by November
