

X Can you, without great effort, provide the date on which Tackwood says he was asked to be part of the creation of disturbances at the San Diego GOP convention? MY interest is in seeing if it coincides with the organization of Nixon's private spy gang. I think ~~Misiewicz~~ dates this as 4/8/69. HW 5/23/73

Nearest approach to reference ~~mk~~ to this is LA Freep, 21 April 72, page 2, 3rd column where it says just below the bold face, "Sometime in September, Tackwood indicated he was being prepared for a new assignment....." That was for the San Diego convention. Year appears to be 1971, judging from the context, but can't be sure.
