

"Evaluation Committee" - Dean's idea, he recommended it in writing. He got it from FBI & CIA reports on domestic radicals, etc.

IEC reports "did not go out of the lot"

This was "the only part of the plan that was not illegal"

Houston was under Dean. When Houston left, he turned documents over to Dean.

9/17/70 Dean memo d, just did on Domestic Subd. "for efficiency" & other purposes ("evaluation")

If there was a Presidential "reason" of the 1970 plan, why all this business? Dean "not aware" of any reason. He did implement 1st step of plan.

Div 5 FBI Internal Security Division  
Dean had private phone lines directly to those handling or dealing with domestic -  
Attorneys, including command posts -  
Magis, Justice, Military, etc.

11/11/73 E. and action committee

Hybe asked by Haldeman, then with G.L.,  
to ask FBI for investigation of Dan Schorn.

Secret Service gave Dem up on May-  
to Wilson, who had it published. D. "Protecting"  
Magnum.

"After publication of an article on Palero,  
I was instructed that one of the authors  
should have some trouble." Lawful arranged  
with IRS for an audit. This was one of  
the Thursday team.

They were ~~not~~ after "members of  
the White House" & "rather extensive  
less than was being not easily updated"

"Secret Political Police Force!"  
Angles like NBC TV 6/26/73 3:53  
"That goes against every civil liberty..."
