

Maxine Caeshire phoned me as pm by 7/18/73 was about to begin. We talked
1/2 hr. Sussman told her I am Hunt expert + to phone. They have reason to
believe he was part of another planned assassination. They know
nothing else. Don't know if it happened but are going to follow up. I mention
some consistent with his beliefs + concept patriotism, including Betan-
court, Dominica, Panama, Reshan (U.P.-Dem) story. I told her if
they can feed me any clues they may get, I'll be glad to help, that
I believe this more than possible, given my beliefs about Hunt.
(Doing this while watching LaRue) They appear to have no current
CIA contacts. she agrees CIA fed Szale (he retired from Times after 20
years. I suggested tipping less extreme-right exiles Miami, Puerto Rico,
Dallas, N.D., + those "Bernie" held in Guatemalan concentration camp.
(M. Ray possible target, but I didn't so state. Hinted.) ... They have to
have some basis for their belief, not indicated to me.
