

Hunt - Panorama WTTB 11/14/74 on "undercover" appearance
still under "gay rube" by Singer.
"Why should I believe you now" after all his he admits, inc. in book.
not that many lies.

Fells betrayed "My loved many years standing was left by the
government."

"For 26 years I have been following orders ... of government ...
with question."

Brinks wife largely milk powder, from large glass mug)
"My branch of the CIA was established ... for West Warfare"

(vs USSR, China)
says again to work leave "provide better government in
it it's said then fly with it to the beach head"

"Decisions were made on a routine basis" on changing their govts.
Blames "fiasco" on those who held their political views.

Major blame on Kennedy. Claims pledge "That they
would face no kind of a power." Claims "recompensed" by JFK
enough been under the. no ref. to him.

offers no bases for JFK's approval. Only that -
CIA people talked to him. (Not sure what they said.)

"Blood game" in Great US - never know his last name

about 1/2
1st side
11/22/63 - "I was not out of this country" Sunny Tattler. Kelley
asked that I not need to a special interview on the subject? Did.

"We don't know about Mr. Ray, he maybe just witness."
Seems to mention Beck with what he said 11/17/74
on what Emil said of harassing girls "that has been turned over to
my attorney ~~and~~ also"

if in
Robert
Gorewit
promise that was. "It has been done" by CIA he was just
"It's money whose destination was part of my family support," not for
redistribution.

Moved around uneasily when asked about files re
Rolling Stone article

Wife "took a great many presents with him - near max.
"I'm not an over-occupied guy" no more

4) Men who do have inner struggles troubles not good agents
and those who defect to us are not of good ~~or~~ or long use
because they are in torment. That will solve a dream self
solves to death. This is to say men of principle & who think
are not good sources as defectors agents. Agent has no conscience trouble.

On Mike Douglas show might be "Today" tomorrow.
With effort to get CIA to pay off "a step in the right direction"
"I'm left out under the close control of the NSC, which
is chaired by the U.S."

Not rightly operating with Liddy. Met when Wilson
sent him there to get copies of documents. on Rom 16
"we worked they will together."

Hesitates on "do you think you really did say they wrong"
Other than just wrong people. Said "perception" that he had
done wrong "come to me later on" apparently when he saw
what Nixon said of him.

Mike Mitchell on phone "Would you like to talk to
Mike?" "No" "Nope" several times.
"I am I guess the first CIA agent who was
unwounded by his own govt. I mean in effect his own."
I get fees to date "over \$10,000 last year & this year it is
going ~~out~~ out at a rate of about \$7,000 a month and I'm not
been a defendant." (ok around side)

Says CIA should have "taken care of me and my wife"
"I think we've passed the stage where we can protect
ourselves abroad" "We don't always make good value
judgments on who our enemies are."
Interview apparently longer because Mrs. Allen
did not show up
