

B. Buckley - Hunt - special reflecting one and a half amendment | 3/14/73

Directed at Dean grant on Hunt & Hackman and "deary thing"  
Hunt took grain, started drinking water during intro  
"The Road to Watergate" - I think Hunt 23 years Hunt Embodder, Solomon.

B. opens on obligations of CIA to agents. How at cut off, to Hunt angry?  
How paid? Cover. Made by "cover staff within CIA"

wanted 2 yrs income to my family. Payments stop in arrears.  
First contact indirectly with wife.

Refarmer \$26,000 then asked for \$40-50,000, owed \$60,000 time Dean, felt  
Hunt down "attorney-client" when? client with Britton,  
not client. (no ref. to \$250,000 insurance money)

"not necessary as middle men between me and <sup>man</sup> in Mexico - just  
through CIA. Did not think [REEP  
\$1,000,000 "in 4 years."

"I did not mention to disclose any activities." Ships & uses name  
"Heldness" Not then. was it ship?

"There were other Navy, I had gone into on behalf of the WH." Pros.

My to Ellis only.  
Leading? from Berchly to me. gl. "Why did they believe it  
was blackmail?" Hunt's answer is to go after Dean's lack of  
familiarity with Morris. "Thought it a prudent assumption"

That led to out in 2 years  
"What was your opinion of?" Ellsberg. Story is all to come out before grand  
jury on Ellis, on immigration.  
Was that an opinion of "link between you and him?" and before it can answer  
Berchly gives alternative.

Hunt notes that even less discreditable Dean on all points except this.  
B. suggest phrase used to make it appear that person was submitting  
to blackmail unless a crime by gl. Hunt depends upon the "case  
for him self" by Ramsey Hunt. "Reddick from the subject for the adm."  
no promise but did expect to be speaking in house. up to "Early  
Hearm "used words" certainly."

H. doesn't know all sources with friends - answer to? on "control" of money  
"What I do know is that the CIA did not come from both its unaccountable  
friends."  
Was the hit on the tapes a surprise <sup>to you?</sup> "totally"

Berchly suggest "Jacobson" because of frequency, not personally, not as  
lack of appreciation "I could be have the record other things to

rebuttal Nixon - Clark Clough "I never had any knowledge  
of this"
