

Misquiter - Bobbie Walters Tommy 1/15/75

Lolson informed day Hersh, they broke  
that he knows of this and had "discussed it  
quite openly before that"

"Lolson was very close to Howard Hunt... over a  
period of ~~4~~ years"

Thinks Lolson's commission given and it  
follows "what I have heard on the  
interview" - Allen/Dan.
