

## Searchers find \$10,000

POLICE yesterday found a package containing \$10,000 in \$100 bills while sifting thru the debris of Friday's United Air Lines crash.

The money belonged to Mrs. Dorothy Hunt of Washington, according to police.

Mrs. Hunt was the wife of Everette Howard Hunt Jr., author and longtime American diplomat.

A cousin who identified Mrs. Hunt's body told police he had no idea why she was carrying so much cash.
