

Do not copy Hersh NYT 12/10/73 piece on Plumbers for me. I have it, began to read and had to lay aside. Also have but have not had chance to read similar ChiTrib Service piece in ChiTrib 12/7, from DW 12/6, by Jim Squires and Harry Kelly. "Plumbers' Spy Role is Told." Timing makes me wonder if someone is up to something re Plumbers. HW 12/14/73
