

Jim- The names for a check, re our phone conversation, are Max Wilkinson and Kenneth Littauer, of Littauer & Wilkinosn, then a firm of literary agents whose name Hunt used, and of the Lucius M. Littauer Foundation, a CIA foundation, as I've learned with Howard going over my files that Jerry returned. L&W was at 500 5th Ave., foundation at 345 E 46, both NYC. (Established 1029) Harry Starr was pres foundation 2/67. Both L and W had been prominent magazine editors, one of Colliers. My dealings were with W only. I had been sent to them by Sat Eve Post. Also in firm, I suppose as employee, was Carolyn Blakemore. Met her. Thanks HW 1/8/73
