Mr. Harold Weisberg, Author
Frederick, Maryland

Dear Mr. Weisberg:

Please advise if you know any of the novels written by Mr. E. Howard Hunt; formally of the C.I.A. and now involved in the Watergate investigation.

It may have occurred to you that there are some interesting implications here in regard to several of your previous books regarding President Kennedy.

Enclosed is a postage paid, self-addressed envelope for your convenience.

Sincerely yours,

Merle L. Rosenthal (cc)
