

LOYALIST } COLLEGE

OF APPLIED ARTS AND TECHNOLOGY

Dear Harold,

In Hunt's absurd novel,  
The Berlin Emaling, the hero  
flees from New Orleans  
to Mexico City, a provocative  
choice of trautes!

Of exile Adams  
were involved, Hunt  
could well know -  
particularly if Sturgis  
were implicated. Do  
you think this likely?

Sincerely,
