

Enemies - IRS

tax exemption status as well as the  
audits of Museum are way opposed  
to Museum's policies.

Many - but Dean filed & kept  
everything from happening "99 out of  
100 times they would go right into  
my files but would go no further"

IRS - just from my question  
of using IRS to some of

those cont. - mem

IRS (Walters) resorted in ref to  
1946 - Truman years

when Dean told G2, G1 said he'd  
make post-election changes &

Ehr started taking notes &

Hullman said he had started to

make a list of those in the

agencies not responsive to the bill
