

Jaworski Today 1/18/74 Bill Moore, and Stan

Asked FBI for "rehearsal" in the museum  
But FBI doubts who to question "will be left entirely  
to the FBI."

Says not yet certain will take to grand jury. First  
up to Service who can also decide whether he should give  
evidence he has to ~~the~~ ~~the~~ ~~the~~ House for impeachment

"The investigations we are conducting now covers  
the waterfront." Mandate ~~not~~ includes to call Pres.  
"I'm required to conduct that work. The Pres is considered  
as much as his appointees"

Looks on promising will not to give anything to go on  
but appears clear he did by saying for grand jury uses.  
So engaged in plea bargaining - with "MacPherson"
