

Jim, my hunch was correct. The address Caddy gave in 1970 when Hunt used him and Mac S. Dunaway as references (Dunaway's address also) is the same address as that of the lawyer who suddenly appeared in East Germany to rescue Nagell, Ricey New. Both 1250 Conn. Ave., NW. When you are in the neighborhood would you please check the directory for the building and can you get Richard to see who was there for the year 1970 (I suppose 1971 city directory). These two were in Suite 707. The 1971-2 phone book lists no Dunaway at that address and no Mac S. anywhere. HW 12/1/73
