## ***Nixon Donors Sue on Alleged Misuse of Cash***

A Houston man and his wife, who contributed \$101,000 to the 1972 re-election campaign of President Nixon, filed suit in federal court here yesterday in an attempt to stop use of the money in paying legal fees of defendants in Watergate-related cases.

John J. and Rose V. Moran said the money was donated for "legitimate campaign expenses" and should be returned to them instead of being used for payment of legal fees.

Saying the Committee to Re-Elect the President had used donations for illegitimate purposes during the campaign, they asked \$3.6 million in damages.
