

9/12/73

Hal---

I ran into a lead on two Chicago area wiretappers who did work for Hunt and Plumbers. It is possible they had assignment to burglarize Hank Greenspun (Las Vegas Sun) files on Howard Hughes. Do you know Greenspun. (Believe he co-authored Green Felt Jungle with Ovid Demaris. By the way, latter is "missing"---letters come back addressee unknown.)

Are you doing anything serious on Watergate book?

Best,

A handwritten signature in black ink, appearing to be the initials 'GD' with a long horizontal stroke extending to the right.
