Dallas -- Gov. Connally's account of the shooting:

"....We heard a shot. I turned to my left and the President had slumped. He said nothing. As I turned I was hit and I knew I was hit badly. I knew the President had been hit and I said: 'MY God, they're going to kill us all.' Then there was a third shot and the President was hit again."

(Connally had explained earlier that the car had just turned the corner and was proceeding toward the underpass.)
