MAR 14 1975

The Gallup Poll reported Wednesday that 49 per cent of the country's Republican voters would like to see President Ford run for a full term in 1976 and that 86 per cent think he will do so.

Of Republicans responding to the question, "Would you like to see Ford run for President in 1976, or not?" 25 per cent said no and 26 per cent had no opinion, according to the polling organization.

The results were based on a survey that included 322 Republicans in selected localities nationwide. The poll was taken Feb. 7 to 10.
