Moynihan's Question

To the Editor:

On Jan. 27, The Times published a classified cable which had been sent by me to the Secretary of State.

The following Sunday, in the Week in Review, The Times asked rhetorically: "Who leaked the cable to The New York Times, where it was first published? No one is saying. . . ."

Clearly, The New York Times knows. Why does it not say?

DANIEL P. MOYNIHAN
U.S. Representative to the U.N.
New York, Feb. 2, 1976
