Garrison Challenged

Anaheim Rally For Bradley Attracts 1100

Nine Polygraph Tests Indicate Accused Man Innocent of Charge

A responsive Baptist congregation gathered in its Anaheim church Friday night heard Edgar Eugene Bradley quietly deny accusations by New Orleans Dist. Atty. Gen. Garrison that he had been involved in a plot to assassinate President Kennedy.

Before more than 1,100 people in the auditorium-like Central Baptist Church, 227 N. Magnolia Ave., Bradley declared he had not visited Dallas until April when he drove through on a vacation.

Bradley of West Hollywood said that when faced with Garrison's charges, he immediately volunteered for lie detector tests.

Private investigator Chris Gugas Thursday disclosed he had administered nine polygraph tests to Bradley which he said indicated Bradley was innocent of any part in the 1963 assassination.

Communist Conspirators Try To Pin Their Crime of Assassination on Patriots

Edgar Eugene Bradley, a long-time friend of Dr. Bob Wells, and a supporter of his ministry, has been charged by New Orleans District Attorney J. Garrison with complicity in a "criminal conspiracy to murder" President John F. Kennedy in Dallas back in 1963. Dr. Wells stated on a "Voice of Truth and Freedom" broadcast that he would stake his life on Bradley's innocence. "He is a devout Christian and an outstanding patriot", said Dr. Wells, who called together a committee of

"There was not one bit of evidence that I was guilty of any knowledge in any way of conspiring to be associated with anyone in the assassination of President Kennedy," Bradley said at the Friday night rally.

CHALLENGES ACCUSERS
"I would like to see the people who conspired against me to frame me take the same lie detector tests," Bradley challenged. "And they won't do it."

ministers and Christian businessmen to establish the "Gene Bradley Defense Fund". Contributions for this purpose may be sent to the Voice of Truth and Freedom. It is also hoped that thousands of people will write to Governor Reagan in Sacramento, urging him not to extradite Bradley to New Orleans where the allegedly mentally-sick Garrison can work him over. "There is a terrible conspiracy behind the scenes to smear the conservative cause during this crucial election year", said Dr. Bob Wells, who arranged a "Gene Bradley Fund Raising Rally" at Central Baptist Church (see clipping). Dr. Carl McIntire, president of the I.C.C.C. and director of the "Twentieth Century Reformation Hour", addressed the meeting in defense of his West Coast representative, Mr.

Dr. Bob Wells Tells Of Visit To Ireland

An Orange County visitor to the "Emerald Isle" returns to his pulpit tomorrow to give a graphic account of his experiences to the congregation. He is Dr. Bob Wells, pastor of the Central Baptist Church of Orange County, who conducted an 8 day evangelistic crusade in Belfast, N. Ireland. Pastor Wells and Dr. Holland B. London, an associate minister, were guests of the much-publicized Free Presbyterian leader, Rev. Ian Paisley, whose exploits caused a newly-coined word - "Paisleyism" - to be entered into the Encyclopedia Britannica's 1967 edition of World Book. Mr. Ian Paisley also is a well-known personage, being a member of the Belfast City Council.

The Ulster Hall in Belfast was filled to capacity on several occasions, with crowds numbering 2,000 people, in spite of an unseasonable snow storm which broke weather records of 36 years.

Dr. Bob Wells Will Address Convention

"The Conspiracy to Overthrow America" is the subject of a major address by Dr. Bob Wells of Anaheim, to be delivered before the national convention of the American Council of Christian Churches when it convenes in Santa Monica, Oct. 24-27.

The pastor of the 3,000 member Central Baptist Church of Orange County will speak at the Wednesday evening session, in the Miramar Hotel which is located at Wüshire Blvd. and Ocean Avenue.

Materials from 1967 issues of the Congressional Record will be used to document allegations against the U.S. Supreme Court, the War on Poverty, the Ecumenical movement and "progressive education".

PRAY FOR DR. BOB WELLS, a crusading pastor-evangelist who drives himself hard - day after day - in an effort to awaken people to the claims of Christ and Country. No man in our time is more positively effective in advancing the cause of Christ, from an uncompromising platform. The above clippings indicate the extent of his influence and ministry. His efforts deserve the prayerful support of every reader.

THE VOICE OF TRUTH & FREEDOM was launched as a 2-color, 16-page magazine in November 1966 and 12,000 to 15,000 copies of six successive issues were mailed out each month. Lack of finances prevented us from continuing the periodical on the original basis. After some delay it was decided that starting with 1968 the "VOICE" would appear as a compact monthly publication on a very economical basis. Digested in its 4 pages will appear a continuous stream of vital information. The patience and understanding of our wonderful readers is deeply appreciated.

Conspirators & Assassins CONTINUED

Bradley. "Garrison is doing for the Communists what they have wanted someone to do for them ever since a Communist assassin killed President Kennedy", said Dr. McIntire. "But when Mr. Garrison laid his hands on Gene Bradley he didn't realize that he was coming up against Almighty God, who will vindicate Mr. Bradley, His servant." Mr. Bradley arose to say that when Garrison implicated J. Edgar Hoover he knew that Garrison "was involved in this thing for a different reason than finding out the truth." Garrison is charging that Communists had nothing to do with the assassination, but that it was the work of a group of at least 15 "extreme right wingers and fanatical anti-Communists." Now Garrison has suddenly become the hero of the Communist world as well as a strange assortment of sex magazines and hippie newspapers. There are some hellish forces in the background and we will have some sensational information to offer our readers in future issues of the "Voice" digest.

Black Power CONTINUED

pleasure to riot in the day time, ...to whom the mist of darkness is reserved for ever." ("the blackness of darkness for ever" - Jude 13).

I want you to join me in 1968 in carrying on the VOICE OF TRUTH & FREEDOM Radio and publications ministry. We not only are awakening people to the crisis which confronts us, but we are proclaiming "Christ for the Crisis". We are going all-out to promote SOUL-WINNING EVANGELISM (II Timothy 4:1-5), CHRISTIAN EDUCATION (Proverbs 1:7) and CHRIST-CENTERED PATRIOTISM (Psalm 33:12, Prov. 14:34).

If ever the alternatives of "Revival or Revolution" faced-us it is in the year 1968. Will you help me to make a strong start in the new year as we proclaim that - "Our national survival depends upon spiritual revival!"
