Cuban Criticizes Writer on Kennedy Assassination

Relying heavily on extracts from the Warren Commission report during his almost two house talk. Dr. Bringuier said he believed the former unient was shot and killed Lee Harvey Oswa d from the Texas School Book Depositor Bulking in Dalles, Tex

"If as Lane claims, a shoftom the front knocked flesh and brain tissue forward in the automobile, this is a new law of physics," the Cuban said.

He said that Texas Gov. John B. Connally told the commission that the shots came from the back over his right shoulder.

that the shots came from the back, over his right shou'der.

Dr. Bringuier charged that the driver of the death car was not quoted in Lane's book or mentioned in the index.

The driver, Dr. Bringuier said, told the Warren Commission.

sion that the shots came from behind him, to the right rear of him. The driver also stated, the Cuban leader said, that he did not believe the shots came from the front.

Dr. Bringuier also read testi-

Exile Speaks on Lane's mony of a 16-year-old Negro youth who was standing at Houston and Elm in Dallas at the time of the assessination.

The Negro, Dr. Bringuier said, told the commission that he had set what appeared to be some sort of pipe in an upper story with the book depository. The Cuban leader warned dias forces are trying to bring about a revolution in this country. They are saying the anti-Gastro Cubans were involved in the seasonation.

They are saying the anti-Gastro Cubans were involved in the seasonation.

They know as long as the pipe in the Institutions of the finite states being in the Institutions of the main, such as the FBI, they cannot take over. When you bean a doubt, your institutions—that's when they will stry to take over."
