

25 Draft Office Raiders Held in Jersey and Buffalo

by Paul L. Montgomery

The [FBI] foiled antiwar raids on Federal offices in Camden, N.J., and Buffalo over the weekend, arresting 25 people, including two Roman Catholic priests and a Lutheran minister.

.....

According to the Government complaint, an informer who has "provided reliable information to the F.B.I. on at least 12 occasions" attended meetings with the Camden plotters ...
