

RUBY (Parkland Hospital)

Report suggests Seth Kantor was mistaken about having seen Ruby at Parkland Hospital after the assassination. R 335/4

Mr. Seth Kantor ... advised he definitely saw and talked with Jack Ruby on Nov. 22, 1963, at .. Parkland Hospital ... He stated he previously furnished this information to the FBI in Dallas and a couple of days later upon being interviewed by Captain Jones of the Dallas Police Department executed a detailed signed statement showing this information.

Kantor stated he fully realizes the importance of what he has said, i.e., that he saw and talked with Ruby at the Parkland Hospital, Nov. 23, 1963. He knows a man's life is at stake, and for that reason wants to be as specific as possible.
