Police officials displaying the weapon at a news conference identified it as an Iver Johnson Cadet, Model 55SA.

Papers on Sirhan's person indicated "this was a planned assassination," Los Angeles Mayor Sam Yorty said.

Yorty said a notebook apparently belonging to the accused man mentions "the necessity to assassinate Sen. Kennedy before June 5, 1968."

The date corresponds to the anniversary of the outbreak of the Arab-Israeli war a year ago.

Yorty, in a copyrighted interview with Radio News International, said the notebook was recovered from Sirhan's rooms with his family's permission.

"The notebook appeared to have been by Sirhan Sirhan," the mayor said.

"There's much scribbling, repeated phrases, many references to Sen. Robert Kennedy, even some references to retiring UN Ambassador Arthur Goldberg," Yorty said. "They're not very clear, but there's a direct reference to the necessity to assassinate Sen. Kennedy before June 5, 1968."

"I don't know why. He does a lot of writing, pro-Communist and anticapitlist, anti-United States. Evidently he was quite pro-Arab in the Arab-Israel matter. He has 'Long live Nasser' written in there . . ."

Immigration records in Washington showed Sirhan was born March 19, 1944, in Jordan, and was admitted to the United States as a permanent resident Jan. 12, 1957.
