

# Sirhan Shows No Sign of Remorse

LOS ANGELES — (UPI) — Sirhan Sirhan, the accused assassin of Sen. Robert Kennedy, has shown no remorse and has not asked for anyone to visit him except an attorney for the American Civil Liberties Union, it was disclosed today.

The 24 year old Jordanian has not said a word to anyone about the fatal shooting of Kennedy at the Ambassador Hotel early Wednesday morning, the Los Angeles sheriff's office said.

## REGULAR MEALS

Sirhan has asked A. L. Wirin, chief counsel of the ACLU in Los Angeles, to try to obtain the services of a prominent attorney for his

trial.

The one-time racetrack exercise boy and aspiring jockey, who came to the United States from Arab Jerusalem 11 years ago, is eating three meals a day in his cell in the hospital ward of the county jail. He sleeps well and takes exercise daily by walking up and down the jail corridor, a spokesman for the sheriff's office said.

The spokesman said Sirhan had shown no remorse whatsoever.

## TO ENTER PLEA

"He has asked for a number of books and newspapers and they have been given to him," he said. "He hasn't asked for any member of his family to visit him and he is not permitted any other visi-

tors except attorneys."

Besides Wirin, Sirhan has been visited by representatives of the public defender's office. They will enter a plea for Sirhan at his next court appearance, June 28.

Two psychiatrists will examine Sirhan in the jail this week. They were appointed by Superior Judge Arthur Alarcon after Sirhan's arraignment last Friday.

In Jerusalem, the father of the accused killer said Kennedy was to blame for the assassination. The father, Bis-hara Sirhan, 52, is estranged from the other members of

the family, including his wife, who live in Pasadena.

## ARABS INSULTED

"It's Kennedy who was to blame for what happened," the father said. "It was his tongue which led to his assassination."

The elder Sirhan said Kennedy had "insulted the Arabs enough."

A court order by Judge Alarcon forbidding witnesses,

public officials and attorneys from discussing the slaying under threat of contempt of court had silenced most of the talk about Sirhan.
