

1969

“Clay Blair’s altogether inconclusive summary of the known record adds practically nothing.”

The New York Times

Don't you believe it!

Do you know why James Earl Ray is considered neither a bungling, petty criminal nor an illiterate?

Do you know how Ray's step-brother killed a negro?

Do you know how Ray made and salted away thousands of dollars while in prison?

Do you know where Ray's father, reported dead by most of the press, is actually living?

Do you know how Ray got his kicks while evading the FBI in the greatest man-hunt in history?

Do you know what compels Ray to want to stay behind bars, fearing the outside world?

The answers to these and other important questions are found in the 1st full story of Dr. King's killer

THE STRANGE CASE OF JAMES EARL RAY

By Clay Blair, Jr.
