whole story of the assassination of Dr. Martin Luther King Jr.

An American Death, by Gerold Frank (author of *The Boston Strangler*), is the result of long, intensive research into the background of the extraordinary murder of a great American. Beginning in strife-torn Memphis in 1968, Gerold Frank describes those events surrounding the killing, the greatest man-hunt in history, and the trial of James Earl Ray.

Was the assassination part of a conspiracy? Was the murderer a member of King's organization? A racist fanatic? A man with a personal grudge? Agent of a foreign power? All these questions are answered . . . **\$10**
