Dear friends,

I don't know when I've had a more thoughtful gift or one that I have enjoyed as much as the paper weight you sent me with the Osler quote. Thanks too for the extra cards.

All of us around here are still reeling after Johnson's announcement last night. This man never does anything without a reason. Or rather, what seems to be a reason to him. The various interpretations and analyses by the news media are somehow unsatisfactory to me.

Thank you again for a really great gift. I may be back in California before too long and will look forward to seeing you.

Best wishes,

Penn Jones, Jr.
