filed Gar

... evidence is
... was over-whelming
... 1963 - that the President was
... ot from at least three different
... ections. The Warren Commission
... ncealed this and much else from
... e people of this country.
... Obviously, the federal government
... es not want it known that it
... -ducted a fraudulent inquiry, using

Nov. 22, 1963. The
... nesses' version of the suspect in the assassination of Martin
... Luther King, and bears no resemblance to photos of James
... Earl Ray. The second man in custody, (bottom left in picture
... block) bears a strong resemblance to Edgar Eugene Bradley
... (bottom right photo) a man Garrison is trying to extradite
... from California.
