

A Quiet Christmas for Nixons

Key Biscayne [AP] [Nixon daughters in Europe.]

.....

The Nixons invited their friend and Florida neighbor, C.G. (Bebe) Rebozo, to join them for turkey dinner Christmas evening. Rebozo was their guest on Christmas Eve and after dinner drove them on a brief tour of Christmas decorations in the neighborhood.

During the afternoon, the President went for an hour-long cruise around Biscayne Bay with Rebozo on the banker's houseboat, the Coco Lobo II.
