A Correction

Special to The New York Times

WASHINGTON, Nov. 2—Because of a typographical error, Senator Abraham A. Ribicoff, Democrat of Connecticut, was erroneously listed in yesterday's editions of The New York Times as having voted for an amendment to the foreign aid authorization bill that would have deleted \$101.5-million in contributions to certain United Nations programs. Mr. Ribicoff voted against the amendment, which was defeated 55 to 28.
