Mrs. Edward F. Cox with Yuri Brezhnev and Mrs. Galina Tchurbanov, children of Leonid I. Brezhnev, at a reception yesterday at the United States Embassy in Moscow.

Among the Muscovites rarely seen publicly in Moscow, or anywhere else, are Yuri Brezhnev and Mrs. Galina Tchurbanov, who are the adult children of Leonid I. Brezhnev, the Soviet Communist party leader. But the Brezhnev offspring made an appearance reception at a reception in the Moscow residence of the American Ambassador to meet Mrs. Edward F. Cox, the former Tricia Nixon, and her husband, who are touring Europe.
