

NYTimes APR 4 1973

Reports that **David M.** of President and Mrs. Nixon, might seek a seat in Congress from Pennsylvania was described as "pure speculation" by Mrs. Nixon's press secretary, **Mrs. Helen Smith.** But Mrs. Smith said that **Senator High Scott,** Republican of Pennsylvania, had "very casually" asked Mr. Eisenhower, "what would you think of running for Congress?" Mr. Eisenhower's reply was not disclosed, but his wife, the former **Julie Nixon,** said, "There's nothing in it."
