

Chinese Envoy Sees Nixon After a Kissinger Meeting

by John Herbers

San Clemente, Calif., July 6 - President Nixon met today with Huang Chen, China's representative in the United States .....

.....

Mr. Huang ... was ushered into the President's office ... shortly before noon Pacific daylight time. After small talk about the weather ... Mr. Nixon recalled that it was here that he announced his trip to China last year.

"That was not quite two years ago," Mr. Kissinger said.

"Really?" the President said. He announced the trip on national television on July 15, 1971.
