Right-Wing Death Plots

Los Angeles - Right-wing organizations in San Diego made death threats against liberals and planned to assassinate Angela Davis, Jerry Rubin and President Nixon under the financial support of an FBI informer, the Los Angeles Times reports.

....

Among the exploits reported by [Howard Berry Godfrey] to the Times:

- Plotting the assassination of President Nixon, who the right-wing groups believed to be too liberal in his dealings with the People's Republic of China. [May 72]
