Choice on Khesanh Urged
WASHINGTON, Feb. 29
(UPI)—Representative L. Mendel Rivers, Democrat of South Carolina, said today that the United States should authorize the use of tactical nuclear weapons at Khesanh or withdraw from the besieged garrison. Mr. Rivers is chairman of the House Armed Service Committee.

Mendel Rivers, on possible use of nuclear weapons at
Khesanh if it becomes clear it cannot be held:
Not to use nuclear weapons under those conditions
would be unwarlike and unChristian.
