

### Husband of Oswald's Widow Accuses Her of Publicity Act

DALLAS, Aug. 19 (UPI) — Kenneth Jess Porter said today that his wife, the former Marina Oswald, was just seeking publicity when she had him arrested last night and he wants her back. Mr. Porter is out of jail on \$1,500 bond.

Mrs. Porter, 24 years old, is the widow of Lee Harvey Oswald, the assassin of President Kennedy. She and Mr. Porter, a twice-divorced electronics technician, were married in June.

Mrs. Porter had complained to Justice of the Peace W. E. Richburg that Mr. Porter had slapped her and that he carried a pistol.

"It's just time for her to have some more publicity" Mr. Porter said.
