**Ziegler Denies
'Post' Is Target**

White House press secretary Ronald L. Ziegler yesterday vigorously denied a report by Jack Anderson that the White House had issued orders to "nail" The Washington Post.

Asked about the Anderson story yesterday, Ziegler said it was "flatly incorrect—wrong, wrong, wrong."

Declaring that there is "no validity" to the charge, Ziegler said "no one has issued orders to 'nail' The Washington Post. I unequivocally and specifically deny it."
