

Did You See Car Parked Nearby?

Anyone who may have seen a car parked on the Alemany Freeway behind the Ingleside Police Station last night was asked today to call police.

The car would have been seen some time shortly before 9:40 p.m., and would certainly have been gone by 10 p.m.

It would have been on the northbound side of the freeway, in a non-stopping lane, about 500 feet north of the Ocean Avenue overpass.

Police are anxious for any description of the car and its occupants. Anonymity of informants is guaranteed.
