John O'Hare from Denver, where American Sociological Association currently holding its 66th annual meeting:

The membership of the Union of Radical Sociologists voted on Monday to dissolve itself and as its last act its membership voted to recommend that all URS members join the New University Conference, and that all URS resources, including its newspaper, The Insurgent Sociologist, be turned over to NUC.

The membership of NUC voted Monday to present a resolution to the ASA demanding that the ASA call for an investigation of the killing of George Jackson, that Mr. Jackson's letters be published on a serial basis in the magazine, The American Sociologist, and that the ASA contribute \$2,500 to the Soledad Brothers Defense Committed. These resolutions will be presented to the ASA in one of its business sessions.
